Mr. T. Nelson
Systems Consultant
Box 1546
Poughkeepsie, N. Y. 12603

Dear Mr. Nelson

Thank you very much for your indication of interest in our "Task Force Report" which discussed the application of electron beam recording and dry silver technology to computer graphics. If you could supply us with information as to your specific information processing requirements, we will respond with appropriate data on electron beam recording.

Very truly yours,

A handwritten signature in black ink that reads 'Rolf E. Westgard'.
